

Automatic glass cullet container

Kod produktu: KN-01A;KN-01B;KN-01C;KN-01D

Data: 03.07.2026

www.melka.com.pl

The MELKA automatic container for glass cullet is a reliable solution that improves the segregation and storage of glass waste in manufacturing plants. Thanks to the automatic emptying system, it enhances workplace safety and optimizes space organization, minimizing the risk of damage and contamination. Various capacities allow the device to be tailored to the individual production needs.
