

Single-sided transport rack for windows

Kod produktu: SJ-06D;SJ-06E;SJ-06F

Data: 03.07.2026

www.melka.com.pl

The MELKA single-sided transport stand is a reliable solution for the safe transport and storage of large windows. Equipped with a chamber seal and a sturdy pine board, it protects glass surfaces from damage while facilitating work organization and increasing transport efficiency. Its high load capacity ensures stability and safety during use.
