Data: 03.07.2026

The MELKA sliding warehouse is an innovative solution for the safe and efficient storage of glass sheets and glass in boxes measuring 3210x2250x150 mm. Thanks to its sliding drawer system on track, it allows quick access to materials while minimizing the use of storage space. The design ensures stability and security of stored items, streamlining workflows in glass, window, and stone workshops.

Description:

- The warehouse consists of two fixed shelves (right and left). The remaining drawers are sliding.
- Thanks to the use of a track, moving the drawers is hassle-free and easy to use.
- The warehouse reduces loading space to a minimum.
- It is possible to make the storage unit with a row of drawers on the left or right side.
- RAL color: to be agreed.
