Data: 03.07.2026

The RG-41E sliding warehouse is an innovative solution for storing ornamental glass panels and glass in boxes measuring 2600x150x1700 mm. With 41 drawers, 39 of which are sliding, it enables efficient storage space organization while minimizing floor space. A track system ensures easy and safe drawer movement, streamlining workflow and increasing operator safety.

Technical data:	RG-41E
Total length:	10,700 mm
Overall width:	2700 mm
Total height:	1716 mm
Total load capacity:	55,350 kg
Working length:	2600 mm
Working width:	150 mm
Working height:	1500 mm
Drawer load capacity:	1350 kg
Number of shelves:	41 pcs.

Description:

- The storage rack consists of 41 drawers, 39 of which are sliding, and two shelves (right and left) are fixed, which allows for additional storage of ornamental glass. Thanks to the use of a track, moving the drawers is hassle-free and easy to use. The warehouse reduces loading space to a minimum.
