

Stand for sealing and fitting windows

Kod produktu: SJ-10A

www.melka.com.pl

Data: 03.07.2026

The SJ-10A stand is a reliable solution for precise window sealing and fitting, ensuring stable and ergonomic working conditions. Adjustable, rubber-coated telescopic arms with full 360° rotation allow for easy adjustment to various window sizes, increasing installation efficiency and minimizing the risk of damage. Thanks to its robust construction, the stand improves workspace organization, increasing safety and work comfort.

Technical data:	SJ-10A
Total length:	1400-2200 mm
Overall width:	1400-2200 mm
Total height:	920 mm

Description:

- Stand designed for precise installation of seals.
- The rubber-covered arms of the stand extend telescopically.
- Arm rotation 360 0 .
