

Double-sided stand type A for storing glass boxes

Kod produktu: OF2396.00B3

Data: 03.07.2026

www.melka.com.pl

The Type A double-sided rack for storing glass crates is a reliable solution that increases efficiency and safety in glass factories. Its adjustable design and non-slip finish ensure stable and safe storage of heavy loads up to 20,000 kg. It optimizes workflow, minimizing the risk of damage and facilitating access to materials.

Technical data:

- Total length: adjustable
- Overall width: 2650 mm
- Total height: 2820 mm
- Working length: adjustable
- Working width: 2x 880 mm
- Working height: 2700 mm
- Load capacity 20,000 kg

Description:

- The back of the stand is finished with an anti-slip mat #8 mm
- The bottom of the stand is finished with a rubber plate with 2 spacers - 10 mm
