

L-type storage rack for storing glass in boxes (4500x2400)

Kod produktu: SJ-08D
www.melka.com.pl

Data: 03.07.2026

The SJ-08D L-type storage rack is a reliable solution for the safe and efficient storage of glass packages in crates. Its robust construction and load capacity of up to 5,500 kg ensure stability and material protection, while optional safety nets enhance work safety. It optimizes warehouse space organization, streamlining production and logistics processes.

Technical data:	SJ-08D
Total length:	4000 mm
Overall width:	900 mm
Total height:	2400 mm
Working length:	4000 mm
Working width:	300 mm
Working height:	2200 mm
Load capacity:	5,500 kg

Description:

- Stationary storage rack designed for storing glass packages.
- One set consists of 4 parts.

- It is possible to install safety nets.
