

Pass-through storage stand for window joinery (buffer) [1000 mm]

Kod produktu: SJ-05/X/OF2326.00X
www.melka.com.pl

Data: 03.07.2026

The SJ-05/X/OF2326.00X Pass-Through Storage Rack is a reliable solution for the safe storage and transport of 1000 mm long window frames. Equipped with a polyamide rail for easy loading and plastic-lined partitions to protect frames from damage, it increases work efficiency and safety. Its robust construction with a load capacity of up to 1000 kg and forklift-friendly handles streamline storage space organization.
