

# Assembly table for window joinery

Kod produktu: ST-16A

Data: 03.07.2026

[www.melka.com.pl](http://www.melka.com.pl)

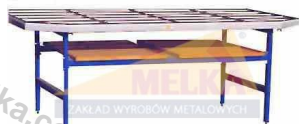

The ST-16A assembly table is a reliable solution for the window and door industry, providing a stable and ergonomic work surface with a load capacity of up to 200 kg. Equipped with smooth height adjustment and a polyamide profile on the tabletop, it minimizes the risk of damage and increases assembly safety. The ability to connect two tables allows for effective space organization and streamlines production processes.

Technical data:	ST-16A
Total length:	2500 mm
Overall width:	1300 mm
Total height:	850÷1000 mm
Load capacity:	200 kg

Description:

- The table top is covered with a polyamide profile.
- Smooth height adjustment.
- It is possible to connect two tables together using special hooks, thanks to which we get twice as much work surface.
- Tool shelf.
