

Assembly table for window joinery

Kod produktu: ST-16B

Data: 03.07.2026

www.melka.com.pl

The ST-16B assembly table is a reliable solution for the window and door industry, providing a stable and ergonomic work surface with a load capacity of up to 200 kg. Equipped with smooth height adjustment and a polyamide profile on the tabletop, it guarantees precise assembly and component protection. The tables' mobility and the ability to connect them increase efficiency and workspace organization, improving operator safety and comfort.

Technical data:	ST-16B
Total length:	2500 mm
Overall width:	1300 mm
Total height:	850÷1000 mm
Load capacity:	200 kg

Description:

- The table top is covered with a polyamide profile.
- Smooth height adjustment.
