Data: 03.07.2026

The WD-02B\OF2278.00A universal fork is a reliable tool for safely unloading and transporting glass packages up to 6000x3210 mm in size and with a load capacity of up to 6000 kg. Adjustable clamping and multi-point mounting ensure load stability, minimizing the risk of damage. Equipped with a specialized storage rack, they ensure order and safety in compliance with standards.

Technical data:	WD-02B\OF2278.00A
Total length:	3350 mm
Overall width:	540 mm
Total height:	3870 mm
Total load capacity:	6000 kg
Working length:	3200÷6000 mm
Working width:	0-180 mm
Working height:	3350 mm
Curb weight:	780 kg

Description:

- The forks are designed for the safe transport of glass packages (6000x3210 mm; 3210x2550 mm). Multi-point mounting and adjustable clamping (from 0 to 180 mm) ensure safe movement. The forks should be stored on a specialized stationary stand. The forks are manufactured in accordance with applicable technical regulations. The manufacturer provides a safety certificate for each product confirming its compliance with Polish standards.
- The forks are equipped with a specialized stand for storing the forks.
