Data: 03.07.2026

The WZ-30/OF2268.00E vertical trolley for large glass panes is a reliable solution that increases safety and efficiency in glass factories. Equipped with guides with plastic inserts and rollers for easy loading, it guarantees stable and safe movement of heavy panes with a load capacity of up to 1700 kg. Its robust construction and wheel brakes ensure precise control and work organization.

Technical data:	WZ-30/OF2268.00E
Total length:	1190 mm
Overall width:	1767 mm
Total height:	2353 mm
Working length:	50x12 mm
Working width:	1570 mm
Working height:	1750 mm
Load capacity:	1700 kg

Description:

- trolley equipped with guides with inserts separating the glass panes 4 x 3 pcs.

- separating rods covered with plastic lining in 130 mm sections
- a beam with rollers is mounted at the front of the trolley to facilitate loading of the sheets.

Trolley equipped with wheels:

- 2 x swivel caster set with brake and polyamide wheel $\varnothing 200$
- 2 x fixed castor set with polyamide wheel $\varnothing 200$
