

Trolley for vertical glass transport

Kod produktu: WZ-26A/PM107.00

Data: 03.07.2026

www.melka.com.pl

The WZ-26A/PM107.00 vertical glass transport trolley is a reliable device that ensures the safe and ergonomic movement of glass sheets. The trolley's design minimizes the risk of material damage and improves workflow in glass and window factories. Its robust construction and optimal dimensions ensure stability during the transport of heavy and large items.

Technical data:	WZ-26A/PM107.00
Total length:	1320 mm
Overall width:	1762 mm
Total height:	2390 mm
Working length:	60x12 mm
Working width:	1570 mm
Working height:	1750 mm
Libra:	300 kg
