

Glass sorting trolley - elevated

Kod produktu: WZ-01A/PM2030.00J

Data: 03.07.2026

www.melka.com.pl

The MELKA glass sorting trolley is a reliable solution for efficient workflow in glass factories. Its elevated structure with 62 compartments and polyamide rails ensures safe and convenient storage and transport of glass panes with a total load capacity of up to 1000 kg. Equipped with swivel wheels with brakes, it guarantees stability and ease of maneuvering, minimizing the risk of material damage.

Technical data

- Total length 1693 mm
- Total width 1000 mm
- Total height 2511 mm
- Number of chambers: 62 pcs
- Chamber width: 13 mm
- Working height 2220 mm
- Load capacity: 1000 kg
