

Glass transport trolley

Kod produktu: WZ-14A/PM1653.00

Data: 03.07.2026

www.melka.com.pl

The WZ-14A/PM1653.00 glass transport trolley is a reliable solution for the glass industry, enabling the safe and ergonomic movement of glass panes with a total load capacity of up to 800 kg. Thanks to its well-thought-out design with 60 compartments, it facilitates work organization and minimizes the risk of damage during transport. The product increases the efficiency and safety of warehouse and production operations.
