

Trolley-stand for transporting window joinery

Kod produktu: WZ-04B/PM234.00

Data: 03.07.2026

www.melka.com.pl

The MELKA trolley-stand is a versatile solution for transporting and storing window joinery, combining the functions of a trolley and a stand. Thanks to its removable wheels, it enables safe and ergonomic movement of elements with a load capacity of up to 1000 kg, streamlining workflow and minimizing the risk of damage during in-plant transport.

Technical data:	
Total length:	2095 mm
Overall width:	1065 mm
Total height:	2088mm
Working length:	2000 mm
Working width:	660 mm
Working height:	1723 mm
Load capacity:	1000 kg

Description:

The trolley is equipped with removable wheel sets, so it can be used as a trolley for transporting joinery within the plant as well as a storage and transport stand.
